

CHITAG 2009

THE CHICAGO TOY & GAME FAIR

COME PLAY WITH US!

Held at beautiful Navy Pier in Chicago, The Chicago Toy & Game Fair is **the only toy and game fair open to the public**. Every Fall funseekers come from far and wide to join us for two whole days of previewing and playing the hottest and latest new toys and games! Come to be dazzled and enchanted, come to learn and explore, come to mingle and participate in a magical community event but most of all, come to have fun!

Chi-Tag continues to get better every year! This was my second year attending the Chi-Tag fair with my Girl Scout troop and I was amazed by the variety of new games and activities this year! Not only did we play new games, experience new hands-on products but were able to go home with purchases from the fair--immediate gratification!!!
